An alternative way to display frozen food

Agora SW is the Bonnet Névé well freezer line offering an **alternative way to display frozen food** as a complement to push curved cover versions.

Especially optimized for **impulse ice cream** or **self-service frozen sea food** Agora SW is the perfect ally to **diversify your frozen area by adjusting the cabinet features to the type of food our customer like to display in it.**

Agora SW

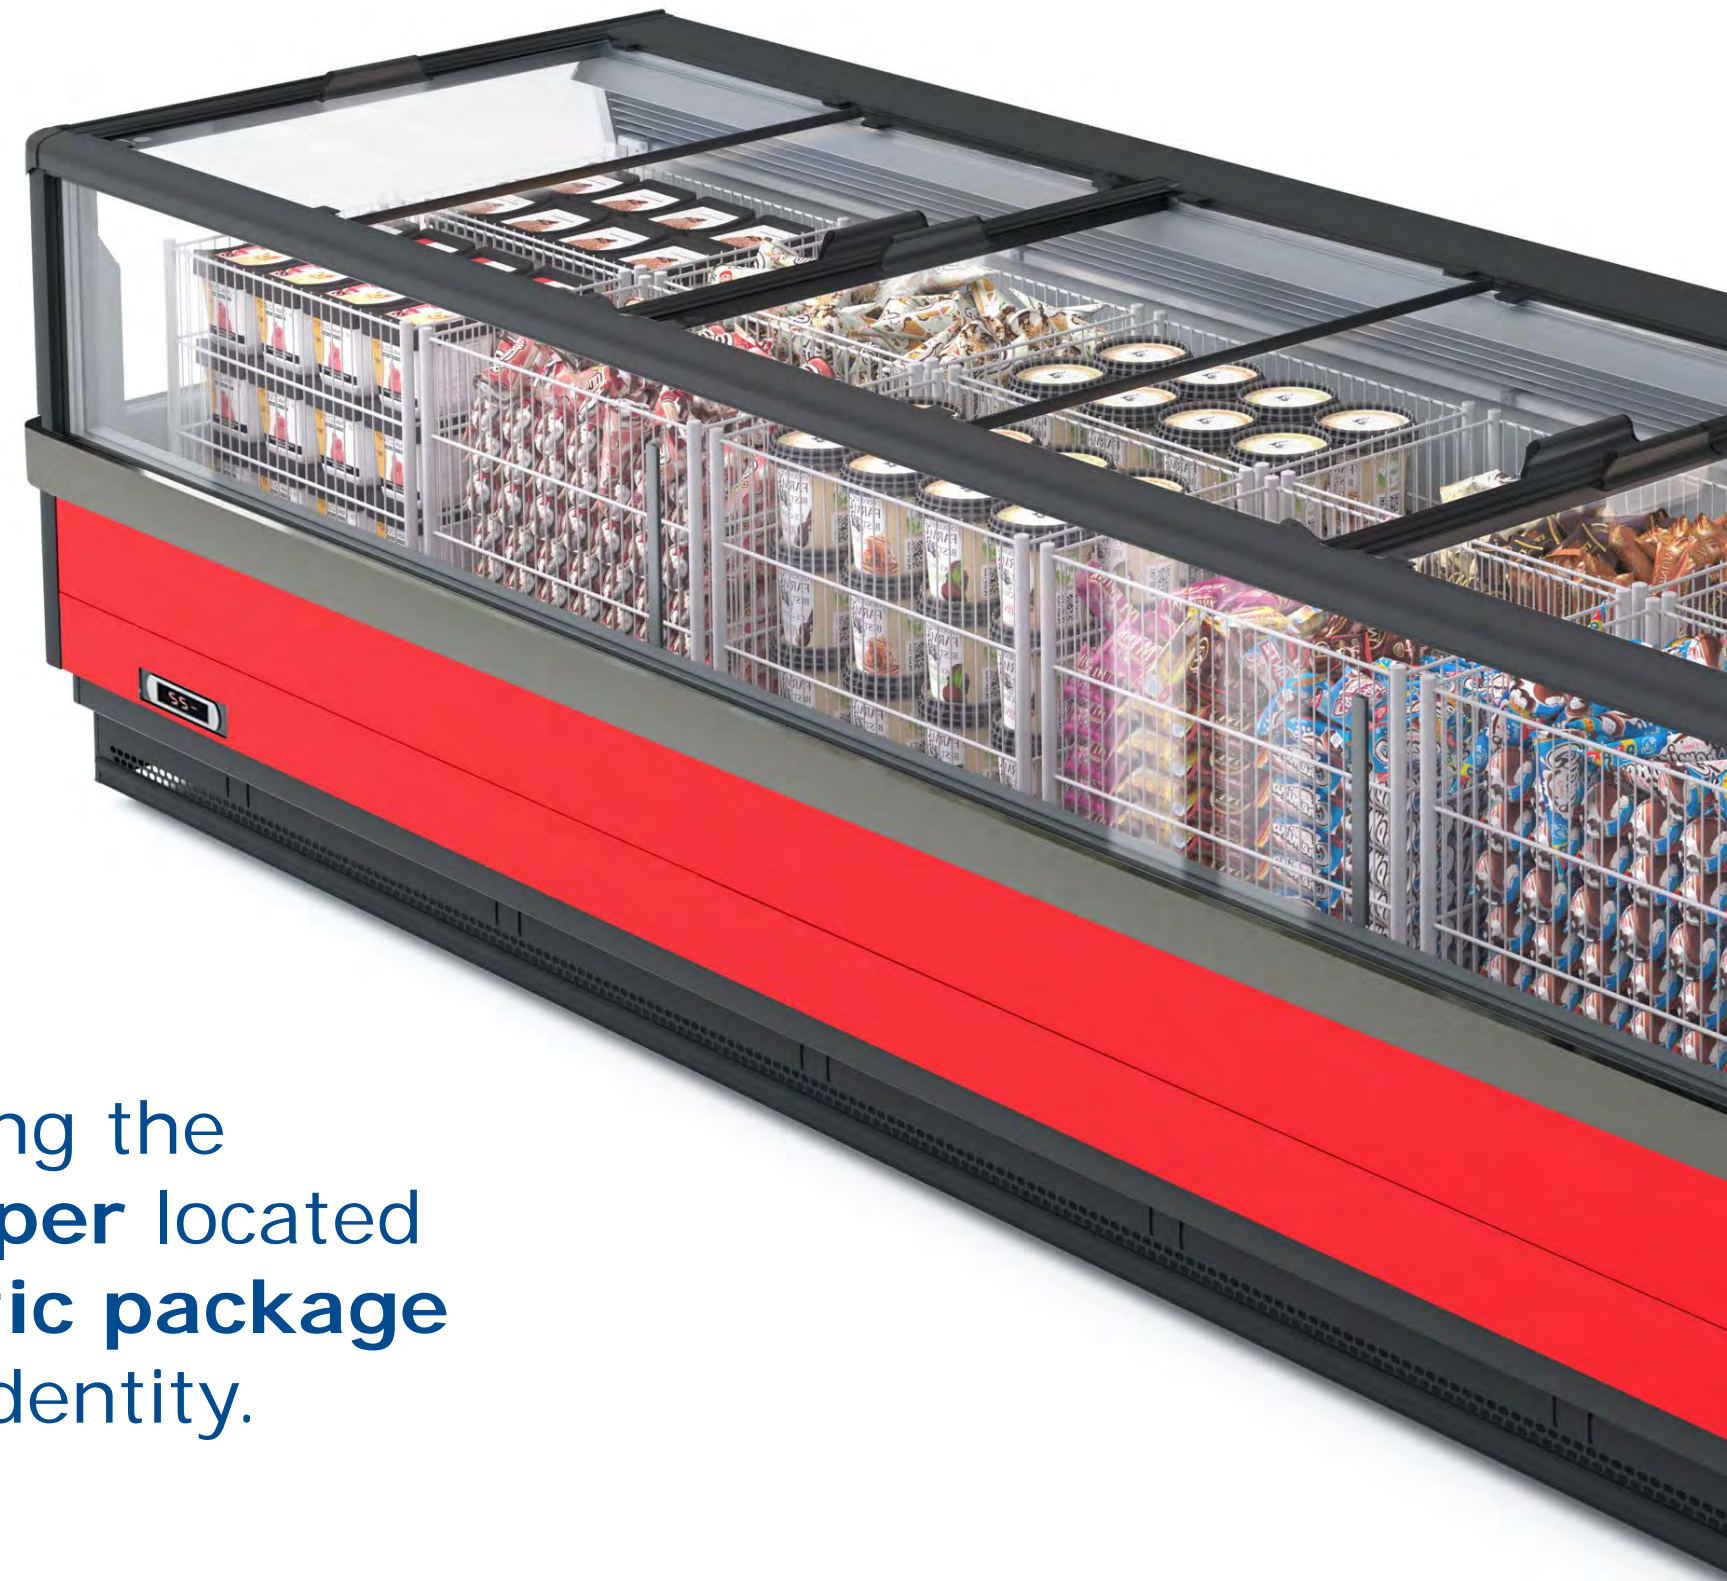

PRODUCT OVERVIEW

New straight sliding covers combining simultaneously **robustness, high transparency and increased resistance to condensation.**

This technical achievement offers all the benefits of the **Epta's superior merchandising** together with the **assurance of a design made for the long run.**

On top of those great features, Agora SW offers several aesthetics as option including the **advance brushed stainless steel bumper** located below the glass and a **complete aesthetic package RAL 7016** matching with retailers shop identity.
